

STAC-TRAC Storage Solutions
Hardware/ Components Warranty
Effective 03/15/2019

5 YEAR LIMITED WARRANTY

STAC-TRAC Storage Solutions warrants that all STAC-TRAC products are made from the finest materials available and will be free of defects and shall carry with them the following warranty. This warranty covers only materials and specifically excludes any cost of removal of the defective item and installation of the replacement.

The warranty provided is as follows:

****All STAC-TRAC Hardware: 5 years* (from date of purchase)**

Should the item be found not to be covered by the manufacturer due to negligent use or improper installation the installer / customer will be responsible for the cost of replacement parts. As such their determination of warranty applicability on defective items is final.

Damage due to defects attributed to transportation, improper handling, installation, chemical or abrasive attack arising from unsuitable cleaning, falling objects, external forces, explosions, fire, riots, civil commotions and acts of God are not covered under this Warranty.

STAC-TRAC Storage Solutions reserves the right to furnish a substitute or replacement product or component in the event that product or component in the event that a product or component of a product is discontinued or otherwise not available. Warranties apply only to products that were sold by **STAC-TRAC Storage Solutions**.

Warranties are not transferable from the original owner to subsequent owners. Repair or replacement of a product or component will not extend the original warranty period. Warranty covers only products sold by **STAC-TRAC Storage Solutions** and is limited solely to the products. All labor associated with the installation, removal and re-installation is specifically excluded.
